SRM INSTITUTE OF SCIENCE AND TECHNOLOGY

SRM Institute of Science and Technology (SRMIST) formerly known as SRM University was established in 2000. SRM IST Ramapuram has been approved by UGC and AICTE and has been accredited by NAAC with the highest grade of A++ . Learning is an enjoyable experience here, with experienced faculty, holistic education, inspiring library and stimulating discussion rooms and state-of-the-art labs. A serene and charming enclave consists Engineering and Technology / Faculty of Science Humanities of 5 academic blocks spread over 27 acres, with all facilities and infrastructure for medical and health science students. Ramapuram Campus also houses the College of Engineering and Technology, Dental College, Faculty of Management and Faculty of Science and Humanities.

FACULTY OF SCIENCE AND HUMANITIES

Faculty of Science and Humanities (FSH) offers an education model that emphasizes critical Thinking, Collaboration, and Problem-solving. This in turn provides you with knowledge and skills to achieve your goals and earn a position of leadership within your chosen profession.

ABOUT THE DEPARTMENT

The Commerce Department has been providing quality education since in 2014 inception of B.Com General. At Present, 3600 students are pursuing B.Com. Programs in various disciplines. The Department offers Corporate Secretaryship, Accounting and Finance, Information System Management, Professional Accounting, International Accounting and Finance, Strategic Finance. To create the need for research pursuit of the students, the department is offering M.Com programmes and Ph.D in both Part Time / Full Time Programme. The Department is proud that students stepping in for a UG degree can fly out with a Doctorate degree under one roof. Currently 7 full time and 20 part-time scholars are pursuing their Doctoral Programme in the Department.

ABOUT THE SEMINAR

The seminar on "Women Entrepreneurs leading the way to Viksit Bharat" focuses on the crucial role of rural women in driving India's development. These women entrepreneurs are addressing poverty, unemployment, and gender inequality by creating businesses, generating income, and providing jobs. Over the innovative agricultural practices, sustainable initiatives, and small enterprises, they are fostering self-reliance and improving local economies. By leveraging technology, digital tools, and financial inclusion, rural women are expanding their

businesses and breaking barriers such as limited access to markets and credit. They are also stimulating traditional gender norms, representative that women can be successful leaders and decision-makers. Their success contributes to broader social change, improving education, healthcare, and community welfare. The seminar aims to showcase these inspiring women, address the challenges they face, and explore solutions through collaboration between government, non-profits, and the private sector to empower and amplify their impact for a developed India.
