

ABOUT OUR INSTITUTION

Dr B.R Ambedkar College situated at Baghlingampally Hyderabad in Telangana state it was established in the year 1973 by late Sri.C.Venkat Swamy (Kaka) a visionary and a champion leader of weaker sections. Since Inception this institution has been providing need based value education at affordable cost to the rural and urban youth. The college is organizing Two Day National Seminar On "Vikshit Bharat 2047: A Roadmap for Sustainable Growth, Economic Prosperity, and Good Governance" on 24th and 25th April 2025. Organized by Department of Economics to give impact of quality education in economics to rural and especially for economically weaker sections of the society the theme of the seminar is to develop the student's creativity so that the students/participants can exhibit their talents and credits in a constructive and accountable manner.

ABOUT THE DEPARTMENT

The Department of Economics, Dr. B. R Ambedkar College takes pleasure in being among the best units for the learning of Economics at the undergraduate level [B.A. (E.P.P) & (E.P.J)] E/M program level it includes a young and dynamic faculty with various specializations. The Choice Based Credit System (CBCS) three year degree programme in B.A. (EPP), (EPJ) and M.A in Economics offers a package of courses designed to acquaint the students not only with theoretical and methodological issues but also issues pertaining to the real world application. It focus on development related issues, demonetization, globalization, sustainability and climate change, in addition to the traditional areas of study such as the roles of the market and the state, consumer choice etc. highlights the relevance of this discipline in today's world.

ABOUT THE SEMINAR

India, as one of the fastest-growing economies in the world, is at a critical juncture where strategic policy interventions, sustainable growth models, and effective governance frame works will shape its future. With the ambitious vision of "Viksit Bharat 2047", the nation aims to transform into a developed, self-reliant, and globally competitive economy by its 100th year of independence. This vision encompasses key pillars such as sustainable economic growth, technological advancements, financial inclusion, industrial modernization, social equity, and transparent governance. The Two-Day National Seminar on "Viksit Bharat 2047: A Roadmap for Sustainable Growth, Economic Prosperity, and Good Governance" aims to bring together policymakers, academicians, industry leaders, economists, and researchers to deliberate on the strategic roadmap for achieving this ambitious goal. The seminar will provide a multidisciplinary platform to discuss the macroeconomic, structural, social, and institutional transformations required for India's long-term development.

SUB - THEMES

1. Structural Reforms for a Competitive and Inclusive Economy

- Modernizing agriculture through precision farming and agri-tech innovations
- Industrial policy and MSME growth for global competitiveness
- Service sector transformation: digital economy, high-value exports, and AI-driven growth
- Public-private partnerships (PPP) for economic expansion and investment-led growth

2. Financial Stability, Rupee Strength, and Inclusive Growth

- Managing inflation, fiscal discipline, and currency stability
- Enhancing foreign exchange reserves and reducing dependence on external debt
- Role of digital currency, fintech, and blockchain in financial inclusion
- Strengthening banking, capital markets, and financial institutions for long-term resilience

3. Sustainable Development, Green Economy, and Circular Economy

- Climate-resilient policies and India's carbon neutrality roadmap
- Renewable energy expansion: solar, wind, hydrogen, and biofuels
- Circular economy: waste-to-energy, sustainable production, and resource efficiency
- Water security, natural resource management, and biodiversity conservation

4. Governance, Institutional Reforms, and Digital India

- Strengthening democracy, transparency, and accountability in governance
- Digital governance and AI-led policymaking for efficient public service delivery
- Legal and regulatory reforms to enhance the ease of doing business
- Cybersecurity, data privacy, and ethical governance in the digital era

5. Technology, Innovation, and Industry 4.0 for National Growth

- Artificial intelligence, automation, and smart manufacturing
- Digital transformation, deep tech, and cyber security advancements
- Strengthening India's role in R&D, space technology, and semiconductor industries
- Intellectual property rights, innovation hubs, and start-up ecosystem expansion

6. Human Capital: Education, Skills, and Social Development

- Education 2047: AI-integrated learning, skill-based education, and industry-academia collaboration
- Skilling, re-skilling, and employment generation for a future-ready workforce
- Healthcare reforms for an accessible, inclusive, and resilient India
- Women empowerment, social equity, and gender-inclusive economic policies

7. India's Global Trade, Supply Chains, and Economic Diplomacy

- Strengthening international trade, exports, and global competitiveness
- India's role in global supply chains and economic leadership in multilateral forums
- Expanding foreign direct investment (FDI) and building resilient trade policies
- Strategic partnerships for sustainable and inclusive global economic growth

8. Urbanization, Smart Cities, and Future Infrastructure

- Sustainable urban planning and AI-driven smart city development
- Affordable housing, sustainable construction, and climate-resilient urban growth
- Expansion of metro, bullet trains, and next-generation public transportation
- Infrastructure development as a catalyst for economic acceleration

9. Agricultural Transformation and Rural Development

- Smart farming, AI-driven agriculture, and digital rural economy
- Enhancing farmers' income through value chains, agro-processing, and cooperatives
- Rural entrepreneurship, financial inclusion, and skill development for rural youth
- Circular economy in agriculture: organic farming, sustainable inputs, and bio-economy

Co-Convenor

Dr. S. Madhukar
Dept. of Economics

EXPECTED OUTCOMES OF THE SEMINAR

- **Comprehensive Policy Recommendations** – Develop actionable insights to strengthen India's economic growth, governance, and sustainability for Viksit Bharat 2047.
- **Strategic Economic Roadmap** – Identify key reforms in trade, industry, infrastructure, and rural development to enhance India's global competitiveness.
- **Innovative Solutions for Key Sectors** – Foster discussions on technology-driven advancements in agriculture, finance, digital economy, and smart cities.
- **Enhanced Collaboration** – Encourage partnerships among policymakers, academia, industry leaders, and civil society for holistic development.
- **Sustainable Development Framework** – Promote green initiatives, climate resilience, and inclusive growth models for long-term economic stability.
- **Empowered Human Capital** – Address skill development, employment generation, and gender inclusivity for a progressive and equitable India.
- **Publication of Research Findings** – Disseminate seminar proceedings, policy briefs, and expert insights to guide future reforms and decision-making.
- **Strengthened Financial and Monetary Strategies** – Explore policies for managing inflation, rupee stability, and fiscal discipline to ensure macroeconomic resilience.
- **Digital and Technological Transformation** – Highlight the role of AI, fintech, and Industry 4.0 in driving innovation, entrepreneurship, and governance efficiency.

CALL FOR PAPERS

We are pleased to invite academicians, policymakers, researchers, industry professionals, and students to submit original research papers for the upcoming National Seminar on "Viksit Bharat 2047". This seminar aims to provide multidisciplinary insights and strategic solutions to shape India's long-term economic and governance roadmap.

Submission Guidelines

- Abstract Submission: Max. 250-300 words, including objectives, methodology, and key findings.
- Full Paper Submission: 2500- 3,000 words, in Times New Roman (12 pt., 1.5 spacing), APA referencing style.

REGISTRATION FEES

- **Submission Deadline:** 16.04.2025
- **Email for Submission:** economicseminardbrac@gmail.com
- **Last Date for Abstract Submission:** 16.04.2025
- **Notification of Acceptance:** 18.04.2025
- **Full Paper Submission Deadline:** 20.04.2025
- **Seminar Dates:** 24th and 25th April-2025

Participants / Paper Presenters are required to register under the following categories:

Category	Registration Charge
Participants	Rs. 300/-
Students	Rs. 300/-
Research Scholars	Rs. 400/-
Academicians & Faculty	Rs. 600/-

PUBLICATION OPPORTUNITY

Selected papers will be published in a peer-reviewed ISBN-edited book with good impact factor/UGC Care Listed journal. We look forward to your valuable contributions in shaping Viksit Bharat 2047. **Charges Applicable**
